Docket No. 98N-1265
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I was treated with standard
HRT for 2 years with no results -
I was symptomatic w/ severe vertigo,
tinnitus, Anxiety syndrome which
HRT didn't help. Only thru saliva
testing and the specialized compounds
that Madison pharmacy (far from my home
in New York) did I get relief -

Please don't pass this bill! It's
takes away my freedom of choice
